Co-curricular Program 2024

Co-curricular activities provide opportunities for students to learn outside of the classroom, to discover, develop and value their talents, to grow in self-confidence and to develop lifelong skills and relationships

We believe that the physical and social growth of each student is an integral part of school life. As part of the holistic program offered at Stuartholme, co-curricular participation supports our students to develop spiritually, mentally, physically, and emotionally.

Athletics

Each year the school competes in the CaSSSA competition for the CaSSSA Cup. Over the years we have had a long list of state and national representatives and continue this success with many of our current athletes

Season

Basketball

Stuartholme will enter teams in the CaSSSA Basketball Competition. Students in Years 7-12 are eligible

Basketball

Stuartholme will enter teams in the CaSSSA Basketball Competition. Students in Years 7-12 are eligible

Soccer (Football)

Stuartholme plays soccer in the CASSSA competition. Students in Years 7 – 12 are eligible for inclusion in junior and senior teams. Stuartholme also enters teams in the Uhlsport and ISSA State-wide knockout competitions. Transport will be provided to and from all matches.

Season

Grade	Term	Game Day and Time	Incompatible Sports
7 & 8	Term 3	Wednesday 4pm – 5pm	Basketball

CLUBSPORT

We are involved at weekends in the following:

BWPI.....Brisbane Water Polo Incorporated
IEQ.....Interschool Equestrian Queensland
BSRA.....Brisbane Schoolgirls Rowing Association
DPNA.....Downey Park Netball Association

On top of CaSSSA sport students can play in club-based competitions on the weekend. Stuartholme competes in Water polo, Netball, Rowing, Equestrian and other state-wide knock out competitions.

Team Selection

The objective for selection is to combine the best group of athletes in each age or open category and rank them into teams or crews in the fairest possible manner. The Stuartholme Selection Policy can be found on my Stuartholme.

Team Training

Training will take place either before (6:30am – 8:00am) or after school (3:15pm – 4:45pm) depending

Drama Club

Lucy Harkin
Leader of Learning – The Arts

Drama plays a major part in the life of Stuartholme and is enjoyed by both performers and audience members alike. Stuartholme Drama Club is an active club in the school community that offers students a variety of theatrical opportunities. Drama Club has a different focus each term and activities vary

Drone Club

Tom Lillyman

Careers Counsellor

Drones are a powerful technology with increasingly diverse applications across industries, including agriculture, engineering, surveying, disaster management, emergency services, real estate and property development, environmental conservation, construction, marketing, and creative media production. While the applications of RPAS technologies continue to expand, the research suggests less than 5% of current drone pilots are women.

Drone Club is a fun way for students from Year 12 to learn more about flying drones. Students will learn drone laws, regulations and [illegible]
